Investments in the community are newsworthy and we encourage you to share this information with the local community. Please use this reference guide when crafting your messages for local media and social media to make sure you are properly referencing The Community Foundation and our generous donors.

We ask that you publicize The Community Foundation's investment **for at least one full year** from when the project begins on any materials or media stories developed during that time.

When mentioning or writing our name, please refer to the organization by its full name, The Community Foundation of Herkimer & Oneida Counties, on first reference. This can be shortened to The Community Foundation thereafter.

If you have any questions or need assistance, please contact Kayla Ellis, public relations coordinator, at 315-735-8212 ext. 3740 or kellis@foundationhoc.org.

MASS MEDIA

TV & RADIO

When a representative from your organization is interviewed about the project being funded please mention that it was made possible by a grant from The Community Foundation, including the fund name if applicable.

PRESS RELEASES

A template press release is available at www.foundationhoc.org/marketing. We strongly encourage you to use this template and the information it contains to ensure that you are correctly referencing The Community Foundation and its generous donors.

We are happy to provide a quote for your press release. Please email us to request a quote from a Community Foundation representative.

All press releases that mention The Community Foundation or its funds **MUST** be reviewed by our team **BEFORE** it is sent to the media. Please email our team a draft for review and approval.

PAID ADVERTISING

Any commercials or print advertisements created by your marketing staff/firm that mention The Community Foundation or its funds must be shared with our team for review prior to publication.

COMMUNITY FOUNDATION MARKETING

Telling your story helps to tell our story. There may be times when we ask to talk about your organization and its projects in a commercial, article or publication. Individuals featured in Community Foundation marketing will be required to sign a release.

You don't have to wait for us to come to you. If you have a success story or an outcome you're proud of, contact us so we can share that news with our donors and partners!
